## À Propos

- "Hà Nội quán" is a Vietnamese restaurant. The whole team is Vietnamese and most of us are Hanoians.

- The owner of "Hà Nội quán" is also the chef, born and raised in Hanoi, so the dishes of "Hà Nội quán" will definitely have a flavor of Hanoi - the capital of Vietnam.

- The origin of pho is from northern Vietnam. Hanoi located in the North, is the cradle of Vietnamese cuisine. So to enjoy authentic pho, it has to be Hanoi pho.

- Coming to "Hà Nội quán", you will enjoy Phở Hanoi with a broth simmered for twenty hours from beef bones, served with cooked beef and raw beef. Our phở is the authentic Hà Nội phở (Phở in the north) and not pho in the south as Parisian restaurants often sell.
